1.1: Sensitivity to the beliefs, traditions, and values across cultures and how these impact the relationships between children, families, and schooling. (1K1)

Your Cultural Competence

Name: _____________________ Date: ____________

If you are taking this course on your own, write your thoughts on the following topic in your portfolio journal. If you are taking this class with a learning group (online or face-to-face), discuss your thoughts with your peers.

Think about the following questions and record your thoughts in your portfolio journal.

Where do you fall on the cultural competency continuum? Why?

Where does your agency fall? Why?

What steps can you or your agency take to improve your level of cultural competence?

How does cultural competence affect service delivery to clients?
