Deviating from a Lesson Plan

Name: ___________________________ Date: ___________________________

Directions: Your facilitator will ask you to write the following in your portfolio and/or discuss with your learning group.

Paraprofessionals and teachers have all had times when they have had to change the course of a lesson.

1. Write down or discuss examples of when you have had to change or stop a lesson plan and why.

2. Write down or discuss what alternatives you had in place in case the lesson did not work with the classroom.

3. If you had no alternatives, list possible alternatives.
